Minutes of the meeting held on 17 July 2019 were proposed a correct record RA all in favour

Matters from the minutes:

Solfest 2019 – were granted licence 21 August two days before start of the event, complaints received about roads – not enough signage, signage not large enough, they adopted a one-way system which was not recommended by Highways, still caused problems when large vehicles leaving site, also festival goers causing problems with New Cowper businesses. Noise complaints from Goodyhills, Blackdyke, Silloth and Newtown new site on a hill sound travelling further. There had also been complaints about smoke from sight causing smoke detectors to go off locally. RA to send letter from locals, clerk to send on behalf of Parish Council reply to Licencing Department

General organization was poor for this event, proposing to hold Solfest next year as a bigger festival, although this was originally billed as a last farewell

Lowther – SD gave an update on the Community possible buyout, all grants in place for valuations, setting up a Facebook page, E-mail address to keep those interested informed, next meeting to be held in Culterham Hall on Sunday 22 September

Trees at Mawbray Bridge – reply from Highways ‘Bridge Inspectors are aware at some problematic trees were recently removed, but one tree was left untouched as it appears to be co-existing with the structure without consequence at present, this will be monitored during future inspections’
